Troop 941

We are excited to introduce you to Pleasanton Troop 941!

Troop 941 is a medium-sized, friendly, boy-led troop based in Pleasanton California, with members from Pleasanton and the surrounding communities.

We are a full uniform troop that is run by boys with oversight by a dedicated group of experienced adults.

Troop 941 places high value on citizenship and on the elements of the scout law:

A scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent.

While our program is boy led, we enjoy a strong support infrastructure from our Troop Committee and over a dozen active Assistant Scoutmasters. We are proud that our adult leadership includes several former Troop 941 Eagle Scouts who have returned as adult leaders to help pass on the tradition of leadership, service, and scouting values to a future generation of scouts.

Our boy leadership team (Patrol Leaders Council) meets monthly to plan our regular meetings and troop outings.

Please feel free to speak with any troop member with your questions.

Troop 941 Welcomes New Scouts!

Webelos who join our troop in the early spring are put into specially created "new boy patrols" led by Troop Guides (experienced older scouts). New boy patrols are dissolved in the Fall, at which point the scouts are integrated into regular patrols.

Outings

Troop 941 is an active troop. 2017 outings have included camping in Gold Country, Santa Cruz Mountains, Yosemite, Sonoma Coast and Kings Canyon. We have backpacked, kayaked and toured caves. Summer Camp was at Wente Scout Reservation. We participate in Camporee for the Twin Valley District at Rancho Los Mochos

Service:

Troop 941 is active in service to the community. We often integrate service projects into our outings, and participate in many dedicated service activities during the year including Memorial and Veterans Day activities, Scouting For Food, and a Christmas Tree recycling drive. We supported the Tri-Valley Creeks To Bay cleanup this year

Leadership

After learning basic scouting skills, many of our scouts are ready for leadership positions within the troop and the community. As scouts advance in rank, their leadership opportunities and expectations grow.
