Troop 941

We are excited to introduce you to Pleasanton Troop 941!

Troop 941 is a medium-sized, friendly, boy-led troop based in Pleasanton California, with members from Pleasanton and the surrounding communities

We are a full uniform troop that is run by the boys with oversight from a dedicated group of experienced adults

Troop 941 places high value on citizenship and on the elements of the Scout Law:

A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent

While our program is boy led, we enjoy a strong support infrastructure from our Troop Committee and over a dozen active Assistant Scoutmasters. We are proud that our adult leadership includes several former Troop 941 Eagle Scouts who have returned as adult leaders to help pass on the tradition of leadership, service, and scouting values to a future generation of scouts

Our boy leadership team (Patrol Leaders Council) meets monthly to plan our regular meetings and troop outings

Please feel free to speak with any troop member with your questions

Troop 941 Welcomes New Scouts!

Webelos who join our troop in the early spring are put into specially created "new boy patrols" led by Troop Guides (experienced older scouts). New boy patrols are dissolved in the Fall, at which point the scouts are integrated into regular patrols.

Outings

Troop 941 is an active troop, generally camping at least once a month. 2018 camp outings have included Carson Pass and Kings Canyon in the Sierras, Mt. Madonna and Sanborn Parks in the Santa Cruz mountains, Angel Island and Sunset Beach on the ocean, and Del Valle, Mt. Diablo and the Sunol Wilderness closer to home. We have hiked / backpacked miles, rode horses, climbed rocks, summited peaks and rafted rivers. We participated in Camporee for the Twin Valley District at Rancho Los Mochos. Summer Camp was at Wente Scout Reservation again in our normal spot at 12:00 High. Our Philmont Crew adventured through Colorado, Wyoming, Montana and Utah as a Plan B after Philmont closed because of the fires this year.

Service:

Troop 941 is involved in service to our community. We often integrate service projects into our outings, and participate in many community events during the year including serving with the VFW for Memorial and Veteran's Day. We do Scouting for Food, and a Christmas Tree collection and recycling drive. We supported the Tri-Valley Creeks to Bay cleanup again this year

Leadership

After learning basic scouting skills, many of our scouts are ready for leadership positions within the troop and the community. As scouts advance in rank, their leadership opportunities and expectations grow.
